

GYM DRIVE TO OPEN MONDAY

\$30,000 of Proposed \$50,000 to Be Raised During Week

With more than \$20,000 pledged for the new Weber gymnasium, the drive to raise the remainder of the \$50,000 will open Monday morning, Chairman Orval Adams announced last night.

Ogden has been divided into 32 districts for the campaign and business men of the city named to raise the funds.

With the \$50,000 raised work will begin on the new structure immediately. It is expected that the building will be ready for use during the early winter.

The structure will cost about \$300,000. Business firms and individuals have been listed for various sums and it is expected that the entire amount will be received before the drive closes June 24.

The fund will be swelled Thursday evening by the Weber Gymnasium dance which will be held at the White City.

"Ogden has never had proper gymnasium facilities and the institution proposed by the church should aid materially in the upbuilding of the community," said Chairman Orval Adams last night. "Such organizations are helpful to the business man, the business woman, in fact, everyone."

Basketball halls for the annual Ogden-Weber games in the past have been inadequate. The new gymnasium will contain a gallery of seats, a large floor and plenty of room for the followers of this sport. Many other branches of athletics will be staged there."

His Story Wins Donation From Court Attaches

Fifty-two years of age and gradually losing his sight, Charles Fredericks, formerly railroad section foreman at Layton, who, because of failing vision was discharged, he testified, was arraigned in the city court this morning on the charge of mendacity.

He broke down while telling his story to the court and was given a suspended sentence of five days to enable him to leave the city and seek employment in the fields of the farming section.

Prior to his departure Attorney John Davis and Deputy Sheriff O. H. Mohlman, touched by the plight of the man, gave him \$2 to aid him on his journey. He was arrested by Patrolman J. M. Hawkins.

The walker left San Francisco on the return trip May 22. He is working at intervals to obtain funds with which to continue his journey. Yesterday he called upon Mayor Frank Francis at the City hall.

FRAUD ALLEGED IN COMPLAINT

John Sooter Extradited From Oregon Arraigned in City Court

John I. Sooter, charged with making false statements in writing to the Security State bank for the purpose of obtaining credit, was arraigned in the city court yesterday.

He was given until Monday to determine as to whether he will ask for a preliminary hearing or not.

The complaining witness was F. J. Stevens, who alleges in the complaint that Sooter stated he had notes receivable amounting to \$1380; cash on hand in bank of \$10,183; Liberty bonds valued at \$1000; 65 horses valued at \$2250.00; 100 cattle valued at \$4000; 65 hogs valued at \$16,025; grain at \$4833; real estate valued at \$25,000 and machinery and tools at \$2000, when, in fact, according to the complaint, he did not have said goods and on such representation the bank granted him credit.

Sooter was extradited from Vale, Ore., Deputy Sheriff Fred Tout returning from there with the prisoner last night.

His bail was fixed at \$1200.

ADD 14,000 ACRES TO MINIDOKA FOREST

Acting Assistant District Forester R. E. Gery of the department of land of district four of the forest service was notified yesterday that President Harding has signed a proclamation adding to the Minidoka national forest in Idaho 14,000 acres of land.

The addition was made on petitions of residents of the district effected, Acting Assistant District Forester Gery said.

The land lies contiguous to what is known as the Goose Creek division of the forest and is added because it includes the headwaters of 24 small streams, the waters of which are used for homestead and irrigation purposes which the settlers desired to have under the protection of the national forest.

IRREGULARITY IN TRIAL IS ALLEGED

Alleging that Lorenzo Liotta, sentenced to pay a fine of \$299 on the charge of having liquor in his possession or to serve 180 days in jail had been deprived of his statutory rights by the court, John Davis, attorney for the defendant, filed a motion in the city court yesterday morning, accompanied by affidavits to have the

sentence set aside and the case reopened.

In his motion accompanied by the affidavits Attorney Davis alleges that when the case was heard John V. Brunetti, acted as interpreter, and that the plea of guilty was entered without the consent of his client who, despite the services of the interpreter who had not been sworn as provided in the statutes, did not understand the proceedings.

City Judge D. R. Roberts interrupted Attorney Davis to state that he thought the attorney was merely taking advantage of a statutory technicality and that he would always take advantage of statutory technicalities when a trial in a court was not conducted in the proper manner as provided in the statutes.

The court continued the case until Monday at 1 p. m. to hear the arguments of Assistant City Attorney Samuel Powell and Attorney Davis.

Campbell, assistant supervisor of the Boise national forest, whose headquarters formerly were at Boise, and who arrived in Ogden this morning en route to Provo where he has been appointed assistant supervisor of the Uinta national forest.

Assistant Supervisor Campbell said that he had been anxious to make the change for some time past in order that his children might have the benefits of the higher educational institutions. He expects to move his family to Provo about July 1.
